Program

Program Chair: Larry DeLong

Our speaker, Jack Pevear, spoke on the history of the Boy Scouts and noted that The Boy Scouts of America (BSA) is one of the largest youth organizations in the United States, with over four million youth members in its age-related divisions. Since its founding in 1910 as part of the international Scout Movement, more than

110 million Americans have been members of the BSA.

In 1909, Chicago publisher W. D. Boyce was visiting London, where he encountered the Unknown Scout and learned of the Scouting movement. Soon after his return to the U.S., Boyce incorporated the Boy Scouts of America on February 8, 1910.

The BSA goal is to train youth in responsible citizenship, character development, and self-reliance through participation in a wide range of outdoor activities, educational programs, and, at older age levels, career-oriented programs in partnership with community organizations. For younger members, the Scout method is part of the program to inculcate typical Scouting values such as honesty, good citizenship, and outdoors skills, through a variety of activities such as camping, aquatics, and hiking.

The BSA is a constituent member of the World Organization of the Scout Movement.

The traditional Scouting divisions are *Cub Scouting* for boys ages 7–10, *Boy Scouting* for boys ages 10–17 and *Venturing* for young men and women ages 14–21.

Learning for Life is a non-traditional subsidiary that provides in-school and career education. The BSA operates traditional Scouting locally through units sponsored and operated by churches, clubs (like Rotary), civic associations, educational organizations and the like. Units are led entirely by volunteers who are supported by local councils using both paid professionals and volunteers.

Locally all scouting belongs to the Catalina Council which has around 10,000 members in 480 troops. The operating budget is \$1.6M per year.
