Roger Baxter Certification

Foundation President **Mary Jane Goodrick** announced that **Eugene Friesen** has become a member of our **Roger Baxter Society** by virtue of a \$2500 bequest. Only 2 or 3 other Club members have done this. As **Andy Heideman** has explained on occasion, one can also become a member by arranging regular donations or by making a one-time contribution.

Coming Events

- **Rotary Leadership Institute**, May 7, Viscount Hotel, Tucson
- **I-19 Mixer**, Tubac, May 13, 5 PM
- **Club Assembly**, June 7.

Scholarships

Foundation Vice-president **Joyce Finkelstein** told us that this year we will be awarding 3 scholarships. She also read a letter from one of last year's scholarship winners, thanking us for helping her follow her dreams and saying that without our help she would not have been able to attend University of Arizona.

Rotaplast

Former Continental School Superintendent **Virginia Juettner** told the Club that Rotaplast is a

23-year old global, humanitarian non-profit organization founded by the Rotary Club of San Francisco. It transforms the lives of children in developing countries by performing free cleft lip and palate reconstructive surgeries. Worldwide, a child is born with a cleft every 2 minutes. That's 7500 children each year in the US, 235,000 throughout the world. Known causes include genetics, vitamin deficient diet, and pollution. Rotaplast sends all-volunteer medical teams and non-medical Rotary teams into developing countries to deliver world-class care for children and families in need. Part of the program involves education so that the local communities can carry on the work. Rotarians are key sponsors and non-medical mission volunteers. Speaking as one of those, **Juettner** said Rotaplast transforms Rotarians.
