RI Update

Our RI Rep **Chris Ashcraft** reported that Rotary has reduced polio on the planet by 99.99% since we started in the Philippines in 1979, and he listed 5 reasons we will push on to 100%:

- Control rather than eradication could rebound to 10 million new cases in the next 40 years.
- The new bivalent vaccine makes the goal achievable. It targets both strains of polio in a single dose, and we have the means to reach all the children.
- The \$9 billion investment will net \$40 billion to the world economy in the next 20 years
- Our efforts have established an active disease surveillance network in all countries that is being used for other diseases.
- Its proof of concept sets the stage for our next global health initiative.

Banner Presentation

Club President **Katie Carter** received the Food Fight banner from Valle Verde President **Jim Rusk**, who said our friendly competition had raised over \$10,000 for the Food Bank, and that the Food Bank can turn that into \$90,000 of help for our community. He added that his Club's showing was just "temporarily" lower than ours.

African Safari

Montana sojourner **Bill Miller** shared slides of his recent African safari that included Amboseli National Park in Kenya and Ngorongoro Crater in Tanzania. His short version: "Animals everywhere." One slide showed a tree filled with 20 lions lounging on the branches.

Mentored Students Honored

Katie Carter, Dick Roberts, and Eugene Friesen mentored students this year at Continental School – **Abby, Wyatt, and Brian**.
