This and That

Past President² **Dick Roberts** has the Salvation Army bell ringing schedule. He also reported a successful *Clothes for Kids* event, helping 14 Continental School kids get much needed winter

clothing.

Chris Ashcraft, our RI Foundation Rep, said it's not too late to get in on our winter sports competition. Right now President **Andy Heideman** is in the lead. He added that there were 2 kids with polio in the Ukraine last year, even though Europe was declared polio-free over a decade ago. Our battle is not yet won.

Meeting at Wyndham

Because of the fire in the kitchen at Grill on the Green, we are meeting again this week at the Wyndham Hotel. The staff of the Grill will be working hard to take care of us while they make repairs.

 Pres-nominee – **Paul Loomans**

 Secretary – **Michael Pease**

I Almost Missed the Depression

Herb Chilstrom grew up in rural Minnesota during the Great Depression. He was named after Herbert Hoover, a successful engineer turned politician who was elected President in 1928, just in time to take the blame for the Crash. **Herb** was born a year later, 11 pounds.

He said the cause of the Crash was 4 bankers, stock market speculation and bank failures. He described in some detail FDR's election and recovery programs. One benefit of his experience: "Isn't it amazing how little we can get along with?" **Herb** became a pastor, a college professor, and 1st Bishop of the Evangelical Lutheran Church in America. He quoted Supreme Court Justice Louis Brandeis: "We can have democracy in this country, or we can have great wealth concentrated in the hands of a few, but we can't have both."
