**\$450 Million to Finish Polio**

**Bill Gates**, at the RI Convention, pledged to match every dollar Rotary raises in the next 3 years with 2 of his own. Rotary

committed to \$50 million each year, so that's \$150 million from Rotary, \$300 million from **Gates**. Let's finish this.

**Microcredit**

**Terry Lubsen** drove down from Tempe to share with us the District's microcredit projects in Sonora, Mexico. Because the program helps people to help themselves, it is the most successful poverty reduction program available. It gives families dignity and hope for the future.

He said 90% of the borrowers are women, 50% of those are single mothers with children. The extra money earned from their microcredit based businesses enables sending children to school, improves home living conditions, and keeps families together. Because people borrow in groups, they help each other keep up with payments, and the program has a 97% collection rate. The 2 projects in Hermosillo have loaned over 11 million pesos to over 1300 clients (347 groups), averaging about 9,000 pesos per loan. **Terry** said Tempe South RC is aiming to get a similar program going in Nogales but have been running into obstacles from RI. Our Club donated \$1000 to their project this year. Their goal is to have \$500,000 in grants by 2020.
