Warmth from the Heart

Gayle Creamer, who has been a Green Valley resident for 25 years, has been a flight attendant, nail technician, and hair stylist and business owner. She's served on the Board of Directors for Casa de Esperanza and has been President of the Continental School Parent Involvement Network. Her current project is collecting jackets and coats – new or gently used, and clean – for distribution to those in need around October 21. So far she's collected 210 jackets and \$550. She's hoping to use the Elephant Head Fire Department as a distribution site, and hopes to get help from us on that day. It could be quite a lot of fun.
