What We've Been Waiting For

Canoa Ranch has announced that Grill on the Green will receive their certificate of occupancy on August 14. The restaurant will reopen on Thursday, August 17 for the public, and they are having a VIP re-opening event on Wednesday, August 16, at 4:00 PM, where a beverage, samples of the new menu, and a look at the restoration will be available. Come on down and help us look for our badges and the Food Fight Banner.

We will resume meeting at Grill on the Green on August 22.

This and That

President **Julie** handed out feedback forms, looking to improve our meetings and our effectiveness in the community, and she is still seeking sign-ups for reading at Los Niños on the 25th, and she reminded us that the District Membership Seminar is the next day, August 26.

Coming Events

- **District Membership Seminar**, Aug. 26
- **Hunger Walk**, September 23
- **Brats Cookout**, October 28
- **I-19 Mixer**, November.

Vocational Talk

New member **Scott Lamb**, who worked 35 years in the environmental field and at one time had his own company recycling solvents (government put him out of business), spent 27 years with the Washington State government, mostly explaining hazardous waste regulations for people.

Homewatch CareGivers

“Let our family care for yours,” is the slogan of Homewatch CareGivers, according to **Riley Kempton**. Their goal is to reduce hospital readmissions, He said 20% of Medicare patients discharged from the hospital are readmitted within 30 days, and 90% of those are unplanned and unnecessary. The main reasons are medication mismanagement, lack of follow-up with primary care providers, not following discharge orders, and falls. Caregivers can help with all those issues, and for considerably less cost than hospitalization. They can help manage medications; help with transportation; help with communication between patients, families, and medical provider; help customize treatment plans; help in dozens of different ways. Check out their website at www.homewatchcaregivers.com.
