**Currently**

Past President **Katie Carter** told us we need host families if we are to have an exchange student this coming year. President-elect **Jill Leach** says we need program chairs for each month, January through June. **Mary Jane Goodrick** is asking for 2 more Rotarians for the Hunger Walk. **Jack Carter** told us again about the new guest cards, and promised a prize for whoever brings in the most guests.

**Rotary Minus 1**

Just 1 week ago our Sunshine Lady, **Betty Maly**, lost her fight with lung cancer. She had been a member of our Club since January 2012, having been an Executive Secretary for her Rotary Club in Jackson Hole, WY for many years. She brought a career of bookkeeping skill to our own book-keeping, as well as endless energy and cheer to everything she was part of. No service is planned.

**Busting the Bad Guys**

Special Agent **Jon Edwards** has been with the FBI since 2001 and an agent since 2004. After working Indian Country matters out of Salt Lake until 2007, he transferred to Tucson Residence Agency where his criminal investigations include large scale narcotics cases and violent organizations with ties to Mexico and Central America. Since 2014 he has worked on the Tucson Joint Terrorism Task Force.

He gave us a detailed account of busting a SW Border home invasion crew using a (highly) paid informant, aerial surveillance, and lots of cell phone monitoring. The invasion crew's goal was both to steal 65 kg of coke and to kidnap some of the people who (allegedly) had it. They were an unusual combination of black and Hispanic gangs, one from Phoenix. **Edwards** showed us how technically demanding the work is, both in building the case against the criminals and planning the bust with the safety of the cops in mind. The similarity to TV shows like NCIS was evident, as were the differences. The TV compresses everything into an hour, whereas his case lasted October to March. No cops were hurt, since they had overwhelming force on their side. The disquieting part was that local places like the Marana Food City and the downtown Circle K were involved.
