Thanks from Los Niños

Bill McCreery brought the Club a thank-you card from the kids we've been reading to and giving books to at Los Niños. About half a dozen of us give a little time once every other month to read to the preschool kids, and each kid in the group gets a book. This project involved a District Matching Grant.

Raffle Heats Up

Secretary **Michael Pease** reviewed the history of our raffle, which has given back \$8725 to members since its start in 2013 and earned \$13,000 for the Club. The deck is down to less than 7 cards for the first time since sojourner **Tom Allen** won just over \$3000 in 2015.

Coming Events

- **Chamber Mixer**, September 28, CPAC
- **District Conference**, October 13-15
- **Warmth Project**, October 21, 10:00 AM, Amado Food Bank
- **Brats Cookout**, October 28
- **I-19 Mixer**, November.

GVR Update

Kent Blumenthal, who has been CEO of Green Valley Recreation since 2014, has a PhD in Recreation and Parks Administration and 35 years' experience in executive leadership with nonprofit organizations. He told us GVR has 120 employees, an \$11 million annual budget, \$30 million in capital assets, and more than 23,000 members who participate in 67 clubs and classes. The GVR Foundation, started in 2015, aims at strengthening community well-being.

He had much to say about the soon-to-be operational RetireArizona website, which is being developed thanks to a grant from Freeport McMoRan, and which is scheduled to be up (with ceremonies at noon at the West Center) on October 24. Their goals are to promote Green Valley as an exceptional retirement destination, "your next home town," increase business interests and home values, promote an expanded season and year-round residency, support area nonprofits and volunteerism, and build a financially self-sustaining website. It will be a business directory and advertising site, and will coordinate with the Community Foundation, FITTS, and (hopefully) the County. He said we are a community with heart and want to attract people with heart.
