**Club Assembly**

Youth director **Katie Carter** told us neither we nor Valle Verde will send out exchange students this coming year. Instead we will help the Nogales Club with cash. Interact will meet this next year at the Sahuarita Town Center, a location more central for the high school kids than Posada Java. Our Club will do the Goober Guys 4-Way Test curriculum at Continental School again this year.

**Chris Ashcraft**, our Club RI Representative, told us our Club has 29 Paul Harris Fellows, 3 of whom are major donors. Our Sports Challenge added \$2005 to the Club's donation to RI, for a total of \$9103, beating our \$7500 RI goal.

President **Julie** presented him his PH+ pin as well.

community.

**Pat Pease**, with a little help from **Michael**, explained improvements in the Club Website she has taken over on top of her work on our Facebook page. Social media are becoming an important means of communicating with our

**Bill McCreery** reported that we had 16 applications for scholarships this year and 6 were chosen, each getting \$1000 from the Foundation for their first year in college. 1 student was home-schooled, 3 were from SHS, 2 from Walden. The scholarships are paid from interest earned by the

Club's investment portfolio.

Club Treasurer **Becky Roberts** reported that we netted over \$5000 with the Bacchanal fundraiser. She and the Board are looking at the Club's income and expenses with an eye to increasing what goes to the Foundation for scholarships.

**Jack Carter** reviewed Club membership, saying we lost 3 but added 6 so far this year. Our newest prospective member has 1 more meeting to attend before official induction.

**Polio Plus in Caborca**

**Joyce Finkelstein** shared pictures of her trip to a polio inoculation event in Caborca. Many of the homes were little more than lean-to's or roofed boxes of bare cinder block, but the mothers all had their kids' up-to-date immunization records. Teams of 4 Rotarians and 1 nurse went house to

house, and if something more than polio drops were needed, it was quickly provided, even including dental work.
