**Sports Challenge +**

RI Rep **Chris Ashcraft** presented **Marvin Hass** with the 3-sapphire pin representing the Paul Harris +3 level of donating to Rotary International. **Chris** also reminded us how the annual sports challenge, started by **Andy Heideman** when he was President, makes contribution fun. A member picks a favorite sports team and pledges any amount for each win. At the end of the season, that amount is contributed to Rotary, and the winner gets a matching donation in his/her name to Paul Harris.

**Coming Events**

- **Hunger Walk**, September 15, starting from Posada Java. See **Joyce** about time.
- **Club meets at Torres Blancas**, September 18 and 25
- **District Conference**, September 28-29, Doubletree, Tucson
- **Brats Cookout Fundraiser**, October 27.

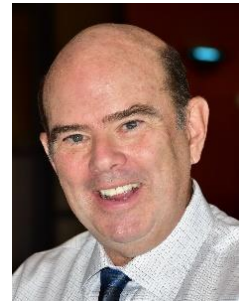

**Community Service Events**

Past-President **Katie Carter** and Past-President **Julie Reppenhagen** are asking for early sign-ups for our Brats fundraiser on October 27. President **Jill Leach** is asking for sign-ups for help with Warmth from the Heart. That event, which donates coats to folks in our community, is October 20. And Past-President **Joyce Finkelstein** said our Foundation has already donated \$1000 to the Food Bank, and our team has room for 2 more people. The Hunger Walk is this coming Saturday.

**Sahuarita Update**

Passionate about community and public service, **Tom Murphy** has been on the Sahuarita School Board since 2005 (twice President) and has been the town’s Mayor since 2016. He told us the population has grown from 3200 in 2000 to 26,300 in 2012 to over 28,000 in 2015. Median age is 34, median household income is just under \$70,000, and 87% of residents say it is a great place to raise a family.

**Murphy** believes in furthering economic development, and his presentation focused on areas of development. The Crossing, for example, is the recently expanded shopping area across the Nogales Highway from Walmart. The Corner is the development near I-19 just south of Fry’s, and it will include the new Wrightson Ridge School our District Grant was written to help, as well as new campus for Northwest Hospital. To President **Jill’s** disappointment, no plans yet for a Trader Joe. He also talked about several housing developments, an extension to Quail Crossing Blvd, and sewer lines and CAP water. The Town is working with the State to expand into land to the east.
